

Rockabye Meadow, Gladstone

Volunteer Tree Planting

Join Raritan Headwaters, Peapack-Gladstone Environmental Commission & DPW, & NJ Water Supply Authority as we restore the stream corridor along the Peapack Brook. Trees help keep streambanks from eroding, control flooding, clean the water and maintain cool temperatures for trout.

9am - 12pm

October 13th & 14th*

**Meet at Rockabye Meadow
Church St. parking area,
Gladstone**

Bring Gloves & a Shovel

***Rain dates October 20th & 21st**

**For more info contact Kristi MacDonald at
