

The Peapack-Gladstone Chamber of Commerce consists of individuals from local businesses, organizations, and residents concerned with the socio-economic climate of our beautiful community. These individuals have joined together with the belief that we stand a better chance of getting things done when speaking with one voice – the voice of the Somerset Hills & surrounding communities.

All those residing or doing business in Peapack-Gladstone and its surrounding towns are welcome to join. Chamber members can range from the small liquor store on the corner, to local restaurants, the established bank downtown, our public library, non-profit groups and even our local athletic teams. There are no limits or restrictions on the number or kinds of members that choose to get involved, as long as they agree to work cooperatively and collaboratively, in support of the overall mission to promote local businesses and better connect the community.
