The ~~Mayor and the Borough Council~~ **Appropriate Authority** shall have power to subpoena witnesses and documentary evidence. If any officer or employee in the Police Department shall be suspended pending a hearing as a result of charges, such hearing shall be commenced within thirty (30) days after service of a copy of the complaint upon him or her; otherwise the charges shall be dismissed and the officer or employee returned to duty. Notwithstanding the thirty (30) day requirement, the officer may waive the thirty (30) day requirement and request an adjournment from the ~~Mayor and the Borough Council~~ **Appropriate Authority** or hearing officer as the case may be. All suspensions shall be with pay except when a Grand Jury has returned an indictment against the officer or the officer has been charged with an offense which is a high misdemeanor or which involves moral turpitude or dishonesty. Any member of the Police Department who has been convicted after disciplinary hearing may appeal such conviction in the manner provided by law. N.J.S.A. 40A:14-150.

Recovery or reimbursement of pay shall be as provided for in N.J.S.A. 40A:14-149.2, N.J.S.A. 40A:14-149.3 and N.J.S.A. 40A:14-151 and as the same may be amended. (Ord. No. 795 § 2-31-15)

2-31.16 Defense of Officers.

Whenever a member or officer of the Police Department is a defendant in any action or legal proceeding arising out of and directly related to the lawful exercise of police powers in the furtherance of his or her official duties, the Borough shall provide the member or officer with the necessary means for the defense of such action or proceeding but not for his or her defense in a disciplinary proceeding instituted against him or her by the Borough or in criminal proceeding instituted as a result of a complaint on behalf of the Borough. If any such disciplinary or criminal proceeding instituted by or on complaint of the Borough shall be dismissed or finally determined in favor of the member or officer, he or she shall be reimbursed for the reasonable expense of his or her defense. (Ord. No. 795 § 2-31.16)

2-31.17 Off-Duty Assignments for Police Officers.

- a. Members of the Police Department shall be permitted to accept police related employment on behalf of private employers only during off-duty hours and at such time as will not interfere with the efficient performance of regularly scheduled or emergency duty for the Borough.
- b. Any person or entity wishing to employ off-duty police shall first obtain the approval of the Chief of Police or his designee, which approval shall be granted if, in the opinion of the Chief, such employment would not be inconsistent with the efficient functioning and good reputation of the Police Department and would not unreasonably endanger or threaten the safety of the officer or officers who are to perform the work.
- c. Any person or entity requesting the services of an off-duty law enforcement officer shall estimate the numbers of hours such services are required, which estimate shall be approved in writing by the Chief of Police or his designee, and shall establish an escrow account with the Borough Treasurer by depositing an amount sufficient to cover the rates of compensation and administrative fees set forth in paragraph h. for the total estimated hours of service.
- d. Prior to posting any request for services of off-duty officers, the Chief of Police or his designee shall verify that the balance in the escrow account of the person or entity requesting services is sufficient to cover the compensation and fees for the number of hours specified in the request for services, except as set forth in paragraph e. No service shall be performed unless all fees and compensation required in the manner described above have been deposited with the Treasurer. No officer shall provide any such services for more hours than are specified in the request for services.
- e. In the event that the funds in such an escrow account should become depleted, services of off-duty officers shall cease, and requests for further or future services shall not be performed or posted until additional funds have been deposited in the escrow account in the manner prescribed above. In the event that emergent circumstances arise which require an officer working an off-duty assignment for a period in excess of the estimated hours of service, the Police Chief or his designee may authorize an officer to continue the off-duty assignment even though the escrow account has been depleted. In the event that

- additional hours are worked, the person or entity contracting for the services of a Borough Police Officer shall be billed for the additional hours.
- f. The person or entity requesting such services shall be responsible for ensuring that sufficient funds remain in the escrow account in order to avoid any interruption of services.
 - g. All requests for the services of off-duty law enforcement officers in the Borough of Peapack and Gladstone Police Department for a period of one (1) week or longer shall be forwarded to the Chief of Police at least ten (10) days before such services are required whenever possible. Any officers, when so employed by the Borough, shall be treated as an employee of the Borough; provided, however, that wages earned for outside employment shall not be applied toward the pension benefits of law enforcement officers so employed nor shall hours worked for outside employment be considered in any way compensable as overtime.
 - h. Rates for compensation for contracting off-duty police officers shall be sixty (\$60.00) dollars per hour, plus an additional ten (\$10.00) dollars per hour for administrative fees, and an additional ten (\$10.00) dollars per hour for the use of a police car (total eighty (\$80.00) dollars per hour). For any detail requiring three (3) or more officers or sixteen (16) hours, the entity will be billed one (1) additional hour for every sixteen (16) scheduled hours. There will be a minimum billing charge of three (3) hours per officer per detail. The entity contracting for off-duty services will be charged the minimum fee per officer for any cancellation less than twelve (12) hours prior to the scheduled start time.
 - i. The entity or person shall provide the Borough with proof of general liability insurance in an amount not less than one million (\$1,000,000.00) dollars combined single limit per occurrence.
