PRESENTATIONS

Recreation Commission

Borough of Peapack & Gladstone Recreation Director Diane Becker provided a review of the recreation programs offered to the residents.

Council and Ms. Becker discussed the Borough tennis program and the need for a reservation system for the new tennis courts located at Komline Park. Additionally, there was discussion on a new tennis program Ms. Becker intends to run in the summer. The program would be held on afternoons during the summer; after the morning recreation program, and would be open to the public with enrollment fees.

Council had a discussion on whether there were any issues with having Ms. Becker run this program because all proceeds would go to her and she is a Borough employee. Ms. Becker stated she would be following Borough protocol by submitting a use of facilities form, paying for

the use of the courts and carrying all of the required insurance. She stated she would be running this program similar to the other for-profit entities that run programs on Borough facilities.

Council acknowledged and thanked Ms. Becker for disclosing the details of the program.

Council had a brief discussion on the tennis courts and the Apgar Avenue entrance to Komline Park. Mayor Muller stated a comprehensive review of how water runoff affects the area should be done.

Council and Ms. Becker had a discussion on fingerprinting of recreation volunteers. Ms. Becker stated the requirement to fingerprint volunteers is having a negative effect on volunteers and, in some cases, is deterring people from volunteering. Ms. Becker stated that potential volunteers have to make an appointment at one of Sagem Morpho’s fingerprinting services located around the State. Appointments are only offered during traditional work hours which makes it difficult for the volunteer. Council agreed to have the Council recreation committee review the matter.
